Utopia

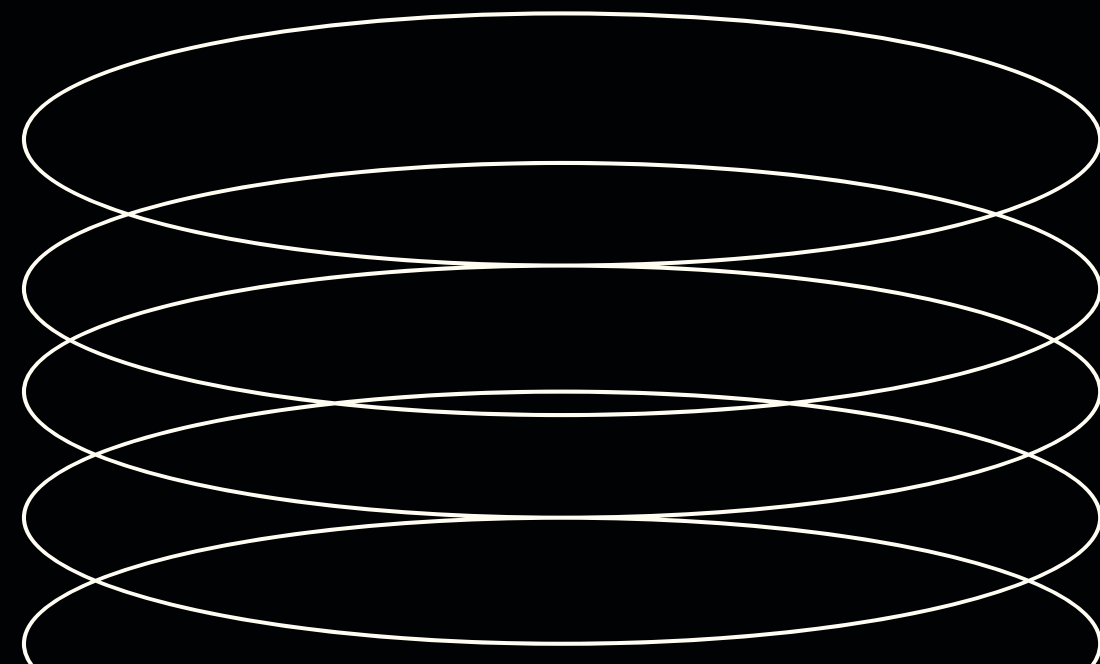

Economically

Reality

— The *UTOPIA* —

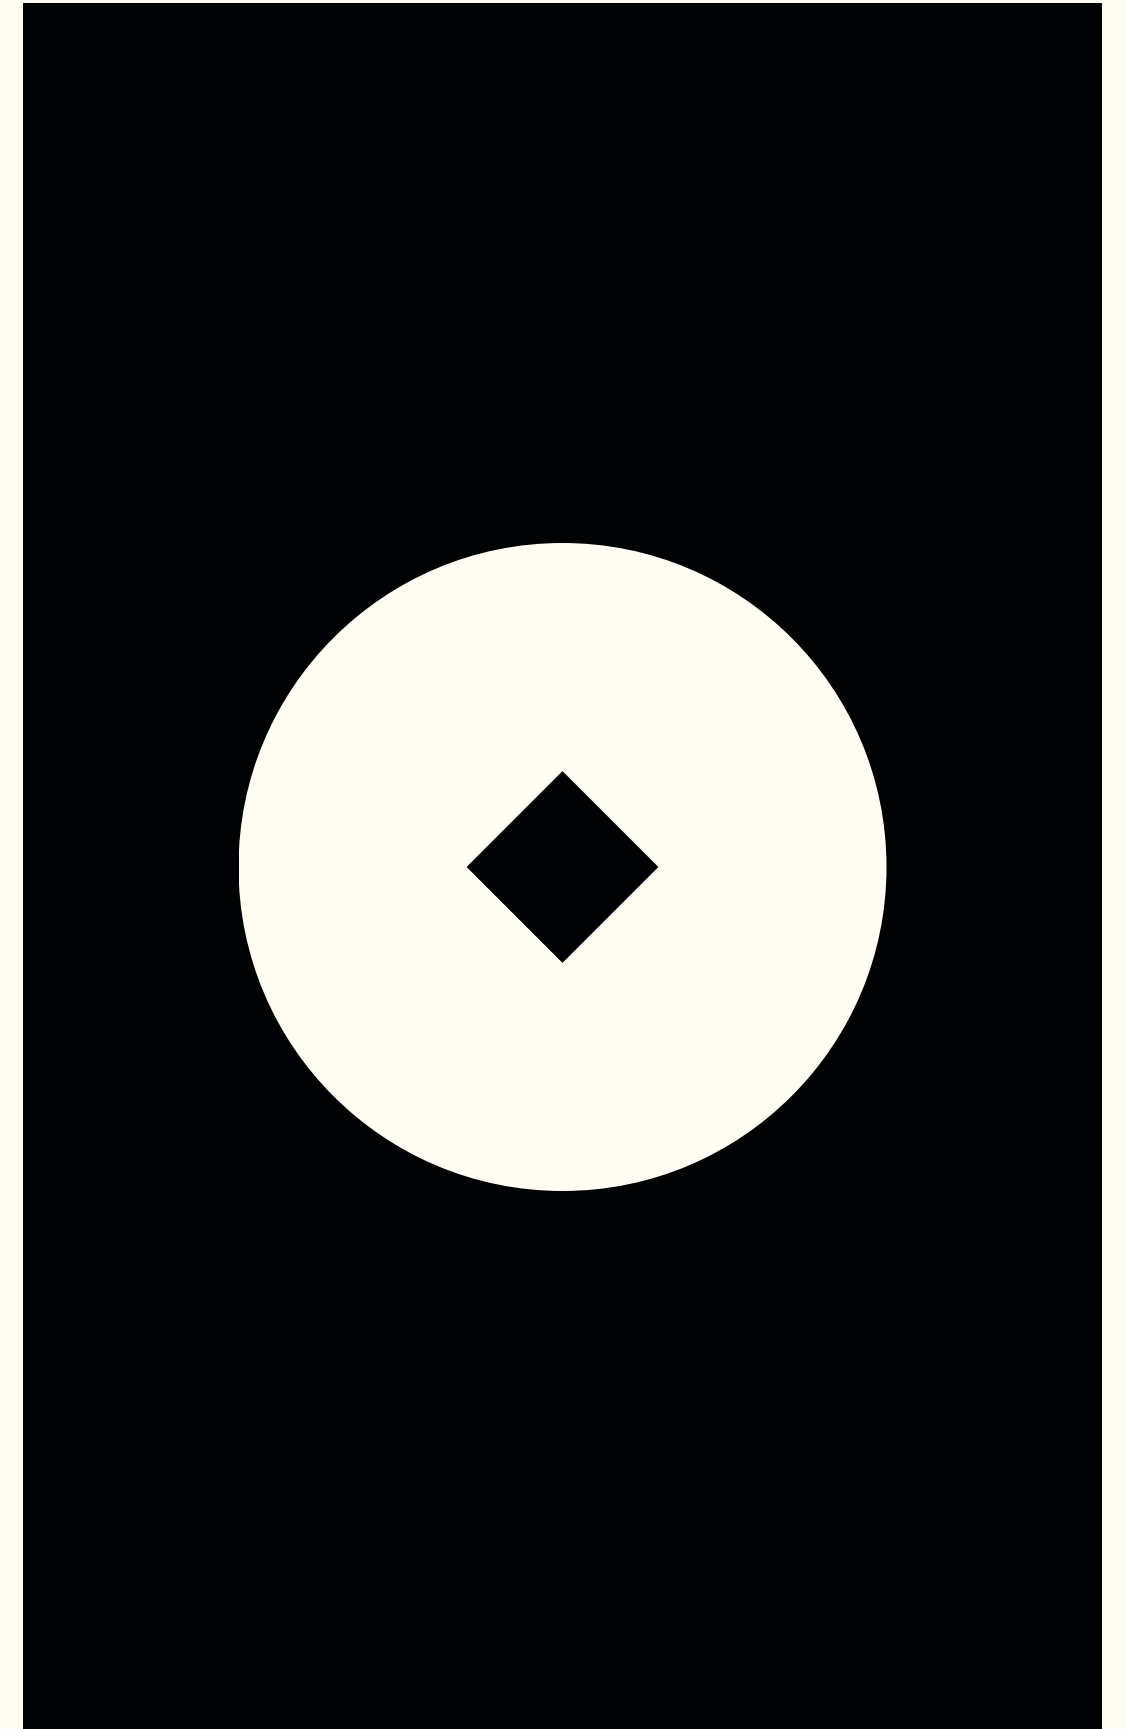

*“An imagined place or
state of things in which
everything is perfect.”*

Oxford languages

What is

economic

***UTOPIA* ?**

Thomas More, *UTOPIA*

(1516)

Economic *SYSTEM*

**Based on communal living with no
private property and common land.**

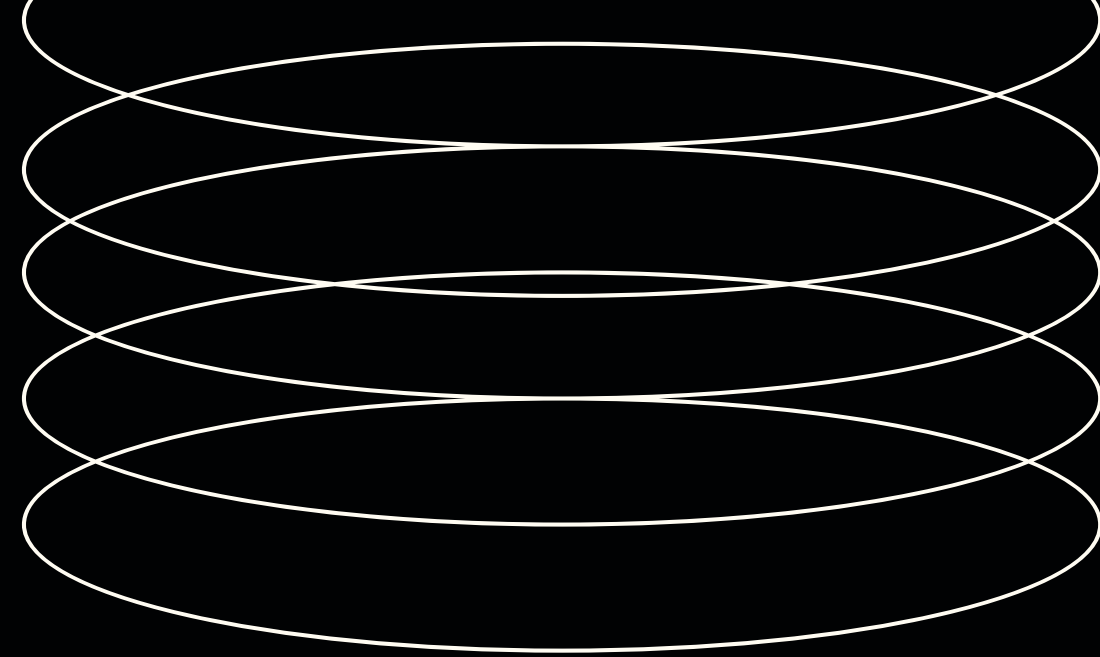

**Reducing competition and class
division**

Karl Marx

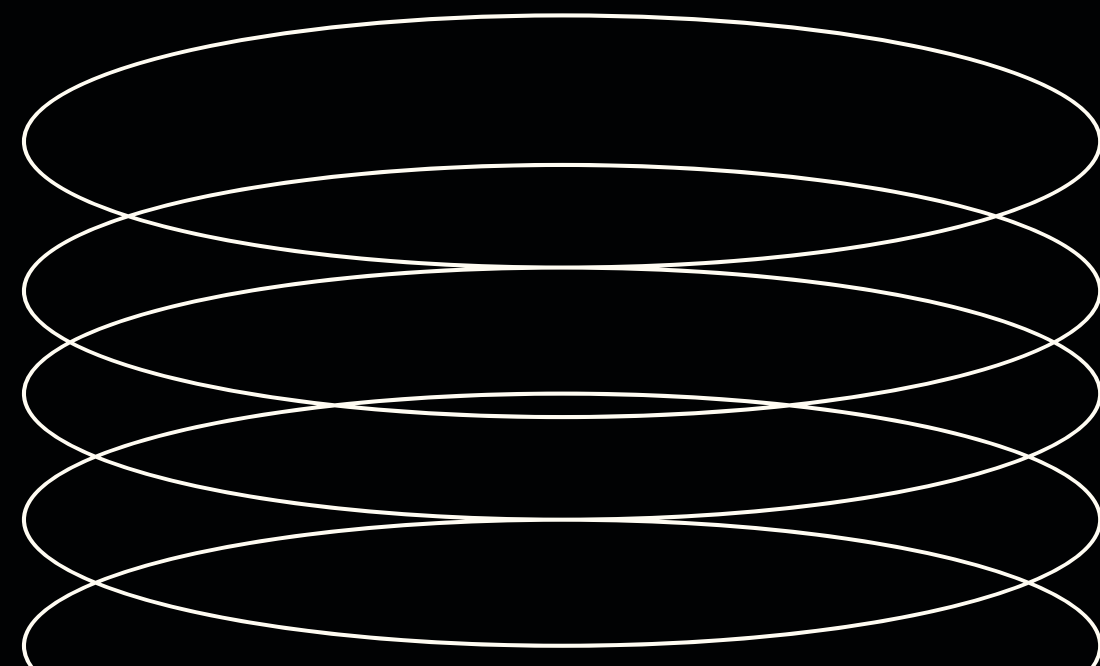

(1818 – 1883)

Classless *SOCIETY*

**Equal access to resources, wealth
and opportunities. Reduced
division of labour and focus on
collective well being.**
